

Holy Are You Lord (Spontaneous) [Lyrics, 75 bpm, 4/4]

[Default Arrangement] by Samantha and Daniel Mow

Verse 1

If I don't the praise the rocks will
Wait a minute—
They're already screaming out your name
I don't think that they can help it
Bearing your reflection
Your steadfast love on full display

If I don't move the seas will
Wait a minute—
They've already done been moved before
Just to simply show your glory
Move us into more than
We've ever known before

Pre-Chorus 1

You take us from glory
Glory to glory as you
You write your story
You write you story

Chorus

I will pour out my praise
And lift up your name
Singing Ho - o - o - oly are you Lord

You are high and lifted up
Worthy are you, God
Singing Ho - o - o - oly are you Lord

Verse 2

If I don't grow the trees will
Wait a minute—
The evidence is in the air I breath
That your love was never static
Moving me to action
Every day reveals my destiny

Pre-Chorus 2

I was made for more
I was made for more
Than anything this world could ever give
Now the only thing I'm thinking

Bridge

Your love is power
Your love is powerful and
Your love is mighty
Your love is mightier than
Anything I've ever known and
Anything I'd ever hoped and
My heart burns for one more chance to say
