[Default Arrangement] by Jackson Lambert | Sam Mow | Lamar Minne

Intro F#m D A

Verse 1

You take every trial and turn it to triumph
And with every battle you bring victory
So I'm not afraid of what will come tomorrow
You fight for me

I put on my armor and pick up my weapon
Knowing the battle belongs to you Lord
So I will not fear for I know you are with me
You fight for me you fight for me

Chorus

Thank you for defending me
Thank you for the victory
I couldn't do it on my own
Thank God I'm not alone

Interlude F#m D A

Verse 2

My worship goes first
When I'm caught in a war zone
My shout of praise
Brings the walls crashing down
The enemy cowers
When he sees me coming
You fight for me

No weapon formed against me will ever prosper
No lying tongue will ever prevail
Cause I am a child of mighty King Jesus
He fights for me He fights for me

There's more on my side
Than what's against me
Theres more on my side
Than all of hells armies
