

When I Speak Your Name [Lyrics]

[Default Arrangement] by Paul Daugherty

Verse

When I speak your name
Darkness has to flee
When I speak your name
I have authority
When I speak your name
Mountains have to move
When I speak your name
Chains are breaking loose

When I speak your name
Hearts will start to heal
When I speak your name
Storms are being stilled
When I speak your name
Demons have to flee
When I speak your name
I have victory

Chorus

There's no other name
By which I am saved
There's no higher name
But Jesus, Jesus

There's no other name
You're the truth and the way
There's no higher name
But Jesus, Jesus

All creation sings out

All creation sings out
Worthy are you Jesus

Chorus (in C)

There's no other name

Your love made a way
Forever you reign
