

Song My Soul Sings [Lyrics, 74 bpm, 4/4]

[Default Arrangement] by Lamar Minne | Samantha Mow | Daniel Mow

Intro

Verse 1

I know that your ways are higher
I know that your thoughts are better than mine
So even when the doubt comes knocking
I won't let it overtake my mind

As I walk through lowest valley
You are right there by my side
So I will not fear the silence
You are speaking in the night

Pre-Chorus

Trials may last for a season
Joy comes in the morn
You are the only reason
I can weather out this storm

Chorus

Your mercies are new every morning
You make it easy to rise
Cause you are song that I'm singing
Oh God, you are my delight
You are the song that my soul sings
Woah-oh, oh-oh-oh
Wo-ah-oh-oh, oh-oh...

Verse 2

I know that your Word sustains me
God, you are the well that never runs dry
Every time I'm in your presence
I know that it's so much better than life

I don't want to waste a moment
Cuz Jesus you're the one good thing I've found
Without you nothing matters
It would all just be an empty sound

Bridge

I will sing of your great love
Forever and ever
I will make your faithfulness known
Forever and ever
