

Peace Like A River [Lyrics]

[Default Arrangement] by Paul Daugherty | Courtney Cunningham

Intro

Verse

Be still my heart and know
That You are God alone
You are my cornerstone
My Foundation

In every storm I face
You are my Hiding place
Your shadow keeps me safe
You are My refuge

Pre-Chorus

When everything around me is shaken
And I'm tired from the battles I've fought
When everything inside me is breaking
I hear Your whisper
Calling me close

Chorus

So I run to You
And I lay my burdens down
I come to You
With all my fears and doubts
And the One who holds the universe
He knows my very name
I find peace in being known by You

Tag

Verse 2

And though my seasons change
Your Word remains the same
This truth will not give way
You won't be shaken

I may not understand
But I will trust Your plans
My life is in Your hands
You won't let go

Chorus

So I run to You
And I lay my burdens down
I come to You
With all my fears and doubts
And the One who holds the universe
