

Rekindle [Lyrics, 72 bpm, 4/4]

[Default Arrangement] by Samantha Mow | Daniel Mow

Chorus

Breathe on us, Spirit of God
We need your holy presence to come like a fire
Rekindle the burning flame
Breath life in us

Speak to us we wanna hear your voice
There's nothing else that matters more
Than to meet you face to face
Lord have your way, Lord have your way
Lord have your way, Lord have your way (*Tag*)

Bridge

Oh that old men would dream dreams
Young men would see things
That no eye has ever seen before

Oh the rain will pour, the drought will end
Spirit will come in fire and wind
Like nothing we have ever seen before
