VERSE 1

I can't deny what I see with my eyes
I won't pretend like everything's alright
My mind may tell me that I've lost this fight
But You say to prophesy

VERSE 2

I see a turnaround coming real soon
I see His healing power breaking through
What once was dead is rising up from the tomb
I see a miracle

CHORUS

In the name of Jesus
Every disease has to bow before You
The Kings of Kings
Seated high above in Majesty
You are greater
You are greater

VERSE 3

You asked the prophet what do you see
A valley of dry bones all around me
You said to prophesy
Speak life into these lungs

VERSE 4

Up from the ground came a rushing wind
I hear the sound of life blowing in
The breath of God brings the dead to life
When we prophesy

CHORUS 2

In the name of Jesus
Heaven will come
As we sing Your praises
The battle is won
All the glory and honor to the King of Kings
You are greater
You are greater

BRIDGE

I'm a living breathing miracle
I'm a testimony of how He saved my soul
I once was bound but now I'm free
Jesus has rescued me

TAG

I once was bound but now I'm free
There are no chains on me
